## WORK EXPERIENCE

*Langer Research Associates*  
Research Analyst  
Promoted from Research Associate (2017), Intern (2016)

September 2015-present

My responsibilities include questionnaire design, sampling review, fieldwork monitoring, data analysis, statistical modeling, and writing narrative reports for clients. I am the lead analyst on several major projects, including the ABC News/Washington Post poll, the annual Phi Delta Kappa education poll and ESPN consumer insights studies, among others.

I am also operations manager for our survey knowledge management software (PARC), for which I develop and maintain applications for reformatting of client documents, perform basic account management in SQL, and maintain the product website.

I continue to work part-time while pursuing a master's in survey methodology.
